Hi,

I am a Martinez resident and the speaker chair for Lamorinda Republican Women Federated. Last year, I booked Mark Peterson to speak to our club. He was dynamic and engaging. Everyone loved his talk.

But in light of recent circumstances, he should resign. Realizing that the Franchise Tax Board was about to come after him and paying off the proposed fine when he clearly knew all along what he was doing was wrong? Resign, be removed from office, whichever. He is clearly not cut out to be our district attorney.
