Hello.

I would urge you to reconsider lowering Mr. Lovingood's fine. He should pay the entire amount.

Robert Lovingood was elected to San Bernardino County Board of Supervisors. Article on Mr. Lovingood.

Politicians need to be held accountable for their malfeasance. Lovingood consistently interrupts speakers during public comment, including myself, repeatedly violating the Brown Act when he sits on the Sanbag board.

If you need to see video of his arrogance I will be happy to dig it up. He thinks he is above the law. Teach him a lesson and impose the full fine.

Thank you,
