Dear Fair Political Practice Commissioners,

My name is Cheryl Berkema. I live in Placer County and am a constituent of Placer County Board of Supervisor Kirk Uhler. I have recently become aware of his failure to disclose a huge raise for his wife. His attempt to hide this information from the public should not go unpunished. Please uphold the intent of the Political Practices Act and censure or fine Supervisor Uhler for his blatant attempt to circumvent the law.

Citizens count on the few protections we have in place that advocate for upholding ethics in public office.

Respectfully,

*Cheryl Berkema*

Placer County Resident
