2 **§ 18215. Contribution.**

3 (a) A contribution is any payment made for political purposes for which full and adequate
4 consideration is not made to the donor. A payment is made for political purposes if it is:

5 (1) For the purpose of influencing or attempting to influence the action of the voters for

1 ~~knows or has reason to know that only part of the payment will be used to make contributions or~~
2 ~~expenditures, the payment shall be apportioned on a reasonable basis in order to determine the~~
3 ~~amount of the contribution. There shall be a presumption that the donor does not have reason to~~
4 ~~know that all or part of the payment will be used to make expenditures or contributions, unless~~
5 ~~the person or organization has made expenditures or contributions of at least \$1,000 in the~~
6 ~~aggregate during the calendar year in which the payment occurs, or any of the immediately~~
