**Subject:** FPPC FY 2019-2020 Annual Budget Report  
**Date:** August 5, 2019

At the beginning of last fiscal year staff provided the Commission with background on the state budget process and to formalize how staff will continue to keep the Commission apprised of developments related to the Commission’s budget. Below are staff’s proposed budget allocations by category. These estimates were developed by considering past spending. Staff is seeking approval of the proposed budget allocations for Fiscal Year 2019-20. I am happy to answer any question you may have on this topic.

The State budget for Fiscal Year 2019-2020 appropriates a total of \$13,456,000 to the FPPC.
