(2) Accept test files from software vendors and others wishing to file reports electronically, for the purpose of determining whether the file format is in compliance with the standardized record format developed pursuant to paragraph (1) and is compatible with the Secretary of State's system for receiving the data. A list of the software and service providers who have submitted acceptable test files shall be published by the Secretary of State and made available to the public. Acceptably formatted files shall be submitted by a filer in order to meet the requirements of this chapter.

In preparing the report, the Commission may present to the Secretary of State and the Legislature its comments regarding this chapter as it relates to the duties of the Commission and suggest appropriate changes if necessary. There shall be one report due before the system is operational as set forth in Section 84603, one report due no later than June 1, 2002, and one report due no later than January 31, 2003.~~

~~(11) Review the current filing and disclosure requirements of this chapter and report to the Legislature, no later than June 1, 2005, recommendations on revising these requirements so as to promote greater reliance on electronic and online submissions.~~

(2) The Secretary of State shall do all of the following with respect to the online filing and disclosure system developed pursuant to this subdivision:

(A) Accept test files from software vendors and others wishing to file reports electronically for the purpose of determining whether the file format is in compliance with the standardized record format developed pursuant to this subdivision and is compatible with the Secretary of State's system for receiving the data. The Secretary of State shall publish and make available to the public a list of the software and service providers who have submitted acceptable test files. A filer shall submit acceptably formatted files in order to meet the requirements of this chapter.

(B) Make the data filed available on the Internet as follows:

(i) In a user-friendly, easily understandable format that provides the greatest public access, including online searches and machine-readable downloads of all data contained in the system, except as specified in clause (iii).

(ii) Free of charge and as soon as possible after receipt, or, in the case of late contribution, late in-kind contribution, and late independent expenditure reports, as defined by Sections 84203, 84203.3, and 84204, respectively, within 24 hours of receipt.

(iii) Not containing the street name or building number of the persons or entity representatives listed on the electronically filed forms or any bank account number required to be disclosed pursuant to this title, except that a nonresidential address of a committee under Section 82013 may be made available on the Internet.

(iv) In a manner that allows the public to track and aggregate contributions from the same contributor across filers using a permanent unique identifier assigned by the Secretary of State for this purpose. The Secretary of State shall assign this identifier to, at minimum, each contributor who makes contributions totaling ten thousand dollars (\$10,000) or more in a calendar year to, or at the behest of, candidates or committees that file electronically with the Secretary of State pursuant to subdivision (a) of Section 84215 or who files with the Secretary of State as a major donor committee under subdivision (c) of Section 82013.

(B) In consultation with the Commission, and no later than July 31, 2017, hold at least one public hearing to receive input about developing the online filing and disclosure system and record format.

(C) No later than December 31, 2017, submit a report to the Assembly Committee on Elections and Redistricting and the Senate Committee on Elections and Constitutional Amendments that includes a plan for the online filing and disclosure system, describes how members of the public will be able to query and retrieve data from the system, and includes a plan for integrating statements as specified in clause (iv) of subparagraph (A) of paragraph (1).

(4) The Secretary of State shall make the online filing and disclosure system developed pursuant to this subdivision available for use no later than February 1, 2019. The Secretary of State may extend this date to a date no later than December 31, 2019, after consulting with the Assembly Committee on Elections and Redistricting and the Senate Committee on Elections and Constitutional Amendments and providing to those committees a report that explains the need for the extension and includes a plan for completion.

(7) (A) Before making the system developed pursuant to this subdivision available for public use, the Secretary of State, in consultation with the Commission, shall test the system to ensure its functionality and then certify that the system meets all the requirements of this subdivision. The Secretary of State may consult with the Department of Technology as needed to fulfill his or her duties under this paragraph.

(B) After the system developed pursuant to this subdivision is certified, the system described in subdivision (a) shall no longer accept reports and filings, unless otherwise directed by the Secretary of State and the Commission. The system described in subdivision (a) shall continue to allow public access to past disclosures unless the Secretary of State migrates that data into the system described in this subdivision. To facilitate data conversion during migration, the Secretary of State may make minor technical modifications or corrections to the migrated data.

(c) On or before December 31, 2017, and on or before every April 15, July 15, October 15, and January 15 thereafter, the Secretary of State shall submit to the chairs of the Joint Legislative Budget Committee and the fiscal committees of the Legislature a quarterly report on the progress of the Cal-Access Project.
