

1 Amend 2 Cal. Code Regs., Section 18942 to read:

2 § 18942. Exceptions to Gift and Exceptions to Gift Limits.

3 (a) For purposes of Sections 82028, 82030, and the gift regulations, except as  
4 otherwise indicated, the following payments that otherwise meet the definition of gift as  
5 provided in Section 82028, subdivision (a) are neither gifts nor income:

6 (1) Informational material as defined by Regulation 18942.1. (Section 82028(b)(1).)

7 (2) A payment that is not used and that, pursuant to Regulation 18941 is returned,  
8 donated, or for which reimbursement is paid. (Section 82028(b)(2).)

9 (3) A payment from: the official's spouse or former spouse; child or step-child; parent;  
10 grandparent; grandchild; brother; sister; current or former parent-in-law, brother-in-law, or sister-  
11 in-law; nephew; niece; aunt or uncle; including grand nephew, grand niece, grand aunt, or grand  
12 uncle, or first cousin including first cousin once removed or the spouse, or former spouse, of any  
13 such person other than a former in-law, unless the donor is acting as an agent or intermediary for  
14 any person not identified in this paragraph. (Section 82028(b)(3).)

15 (4) A campaign contribution required to be reported under Chapter 4 of the Act  
16 (commencing with Section 84100). (Section 82028(b)(4).)

17 (5) Any devise or inheritance. (Section 82028(b)(5).)

18 (6) A personalized plaque or trophy valued at less than \$250. (Section 82028(b)(6).)

19 (7)(A) The cost of home hospitality, as defined in Regulation 18942.2, provided to an  
20 official by an individual in the individual's home when the individual is present, unless one of the  
21 following provisions applies:

22 (i) Any part of the cost of the hospitality provided by the host is paid directly or  
23 reimbursed by another person.

1 (ii) Any person deducts any part of the cost of such hospitality as a business expense on  
2 any government tax return.

3 (iii) There is an understanding between the individual extending the hospitality and  
4 another person that any amount of compensation the individual receives from that person  
5 includes a portion to be utilized to provide gifts of hospitality in the individual's home.

6 (B) In determining the applicability of subparagraph (A), the following apply:

7 (i) The cost of providing hospitality does not include any part of the value or rental cost  
8 of the home nor does it include any depreciation value on the home where the hospitality is  
9 extended.

10 (ii) An official may presume that the cost of home hospitality is paid by the host unless  
11 the host discloses to the official, or it is clear from the surrounding circumstances at the time the  
12 hospitality is provided, that a person, other than the host, paid the cost of the hospitality.

13 (8)(A) Benefits commonly exchanged between an official and an individual who is not a  
14 lobbyist who is registered to lobby the official's agency, on a holiday, birthday, or other  
15 occasions, including reciprocal exchanges as identified in subparagraph (B) below where  
16 benefits are commonly exchanged, to the extent that the value of the benefits exchanged is not  
17 substantially disproportionate and includes food, entertainment, and nominal benefits provided to  
18 guests at an event, by an honoree or another individual, other than a lobbyist, hosting the event.

19 (B) Reciprocal Exchanges made in a social relationship between an official and another  
20 individual, who is not a lobbyist who is registered to lobby the official's agency, with whom the  
21 official participates in repeated social events or activities such as lunches, dinners, rounds of  
22 golf, attendance at entertainment or sporting events, where the parties typically rotate payments  
23 on a continuing basis so that, over time, each party pays for approximately his or her share of the

1 costs of the continuing activities, so long as the total value of payments received by the official  
2 within the calendar year is not substantially disproportionate to the amount paid by the official. If  
3 the official receives a disproportionate amount relative to what the official paid, the official has  
4 received a gift for the excess amount. This reciprocal exchange payment provision does not  
5 apply to any single payment that is equal to or greater than the amount specified in Regulation  
6 18940.2.

7 (9) Leave credits, including vacation, sick leave, or compensatory time off, donated to the  
8 official in accordance with a bona fide catastrophic or similar emergency leave program  
9 established by the official's employer and available to all employees in the same job  
10 classification or position except for donations of cash.

11 (10) Payments received under a government agency program or a program established by  
12 a bona fide charitable organization exempt from taxation under Section 501(c)(3) of the Internal  
13 Revenue Code designed to provide disaster relief or food, shelter, or similar assistance to  
14 qualified recipients if the payments are available to members of the public without regard to  
15 official status.

16 (11) Admission, where paid admission is required, food, and nominal items provided as  
17 part of the paid admission to those attending, to an official where the official makes a speech (as  
18 defined in Regulation 18950 (b)(2)) is not a "payment" as defined in Section 82044 so long as  
19 the admission is provided by the person who organizes the event. For purpose of this  
20 subdivision, nominal means an insignificant item typically purchased in large volume and  
21 provided for free as a means of advertisement at events, such as a pen, pencil, mouse pad, rubber  
22 duck, stress ball, note pad, or similar item.

23 (12) Payments for campaign activities as specified in Regulation 18950.3.

1 (13) A ticket provided to an official and one guest of the official for his or her admission  
2 to a facility, event, show, or performance for an entertainment, amusement, recreational, or  
3 similar purpose at which the official performs a ceremonial role on behalf of his or her agency,  
4 as defined in Regulation 18942.3, so long as the official's agency complies with the posting  
5 provisions set forth in Regulation 18944.1, subdivision (f) (d). Any official who attends the event  
6 as part of his or her job duties to assist the official who is performing the ceremonial role has not  
7 received a gift or income by attending the event.

8 (14) A prize or award received in a manner not related to the official's status in a bona  
9 fide contest, competition, or game of chance. A prize or award that is not reported as a gift shall  
10 be reported as income unless the prize or award is received as a winning from the California  
11 State Lottery.

12 (15) Benefits received as a guest attending a wedding or civil union so long as the  
13 benefits are substantially the same as the benefits received by the other guests attending the  
14 event.

15 (16) Bereavement offerings typically provided in memory of and concurrent with the  
16 passing of a spouse, parent, child, or sibling or other relative of the official.

17 (17) Acts of Neighborliness. A service performed, such as a loan of an item, an  
18 occasional needed ride, personal assistance in making a repair, bringing in the mail or feeding  
19 the cat while the official is away, and other similar acts of ordinary assistance consistent with  
20 polite behavior in a civilized society that would not normally be part of an economic transaction  
21 between like participants under similar circumstances.

22 (18)(A) Bona Fide Date or Dating Relationship. Personal benefits commonly exchanged  
23 between people on a date or in a dating relationship, unless the individual providing the benefit

1 to the official is listed under (D)(i-iii) below. If the benefit is from an individual listed under  
2 (D)(i-iii) the benefit is a gift that is not reportable or subject to limits but the aggregate value is  
3 subject to the Act's conflict of interest provisions if the value meets the amount specified in  
4 Regulation 18940.2.

5 (B) Acts of Human Compassion. Payments provided to an official, or an official's family  
6 member, by an individual to offset family medical or living expenses that the official can no  
7 longer meet without private assistance because of an accident, illness, employment loss, death in  
8 the family, or other unexpected calamity; or to defray expenses associated with humanitarian  
9 efforts such as the adoption of an orphaned child, so long as the source of the donation is an  
10 individual who has a prior social relationship with the official of the type where it would be  
11 common to provide such assistance (such as a relative, long-term friend, neighbor, co-worker or  
12 former co-worker, member of the same local religious or other similar organization, etc.), or the  
13 payment is made without regard to official status under other circumstances in which it would be  
14 common to receive community outreach, unless the individual providing the benefit to the  
15 official is listed under (D)(i-iii) below.

16 (C) A payment provided to an official by an individual with whom the official has a long  
17 term, close personal friendship unrelated to the official's position with the agency, unless the  
18 individual providing the benefit to the official is listed under (D)(i-iii) below.

19 (D) The limitations placed on the exceptions contained within this paragraph (18) apply  
20 to the following persons:

21 (i) A lobbyist, lobbying firm, lobbyist employer, or other person required to file reports  
22 under Chapter 6 (commencing with Section 86100) of the Act and who is registered to lobby the  
23 official's agency.

1 (ii) A person who has, or may reasonably foreseeably have, a contract, license, permit, or  
2 other entitlement for use pending before the official's agency, and for 12 months following the  
3 date a contract is signed or a final decision is rendered in the proceeding, if the official makes or  
4 participates in making a governmental decision, as defined in the Act's conflict of interest  
5 regulations (Regulation 18702 et seq.) regarding the contract, license, permit, or other  
6 entitlement for use.

7 (iii) A person, or an agent of a person, involved in a licensing or enforcement proceeding  
8 before a regulatory agency that employs the official and in which the official may reasonably  
9 foreseeably participate, or has participated, within 12 months of the time the gift is made.

10 (19) Any other payment not identified above, that would otherwise meet the definition of  
11 gift, where the payment is made by an individual who is not a lobbyist registered to lobby the  
12 official's agency, where it is clear that the gift was made because of an existing personal or  
13 business relationship unrelated to the official's position and there is no evidence whatsoever at  
14 the time the gift is made that the official makes or participates in the type of governmental  
15 decisions that may have a reasonably foreseeable material financial effect on the individual who  
16 would otherwise be the source of the gift.

17 (b) The following gifts are exempt from the limitations on gifts described in Section  
18 89503:

19 (1) Payments for transportation, lodging, and subsistence that are exempt from limits on  
20 gifts by Section 89506.

21 (2) Wedding gifts.
