Re: Law and Policy Committee Meeting

Dear Chairman Miadich:

I write today on behalf of the State Senate and the State Assembly, who got notice on Friday of the Law and Policy Committee meeting this week. Due to the short notice of the hearing and the many challenges of the current COVID-19 emergency, we will not be able to submit formal comments in time for your meeting this week. We believe we will have valuable input to provide regarding the behested payments issue and wanted to let you know that we are working to prepare that as quickly as possible for the Commission.

We appreciate your understanding and look forward to having additional conversations with you.

Sincerely,

Lance H. Olson
