

(Regulations of the Fair Political Practices Commission, Title 2, Division 6, California Code of Regulations.)

§ 18421.8. Reporting an Expenditure by a Candidate Controlled General Purpose Ballot Measure Committee.

(a) When reporting an expenditure of \$100 or more, a general purpose ballot measure committee controlled by a candidate for elective state office, or a candidate for an elective city or county office subject to the contribution limit in Section 85301(d), shall identify each measure for which the expenditure is made to support or oppose by its assigned ballot designation. If a potential measure has not been assigned an official ballot designation, the report shall briefly describe the purpose of each potential measure for which the expenditure is made to support or oppose.

(b) When reporting an expenditure under subdivision (a) to support or oppose more than one measure or potential measure, a general purpose ballot measure committee controlled by a candidate for elective state office, or a candidate for an elective city or county office subject to the contribution limit in Section 85301(d), shall specify the amount of the expenditure attributed to the support or opposition of each measure or potential measure. However, this subdivision shall not apply to an expenditure made for operating costs, administrative overhead, fundraising activities, travel, compliance costs, and attorney's fees incurred in general support or opposition to the measures and potential measures supported or opposed by the committee if the amount of the expenditure cannot be attributed to each specific measure or potential measure.

(c) For any committee reporting under this regulation, the information required in subdivisions (a) and (b) is in addition to any information otherwise required under Section 84211.
