**TO:** Interested Persons

**FROM:** Chloe Hackert, Education & External Affairs Unit Manager, Legal Division

**SUBJECT:** Updated Campaign Form 460 – New Revisions

**DATE:** December 23, 2024

---

The Commission will consider the adoption of the following forms at its February 13, 2025, Commission meeting:

- Form 460 – Recipient Committee Campaign Statement

Staff proposes revisions to Form 460 – Recipient Committee Campaign Statement to incorporate changes requested by the Secretary of State’s office. In response to the Cal-Access Replacement System (CARS) project, the Form 460 expenditure codes and instructions have been updated to reflect recent changes in legislation and FPPC regulations. The language has been revised for current campaign expenditure practices and terminology reported by filers. Up-to-date expenditure codes and descriptions will lead to more consistent reporting practices amongst filers and committee treasurers. The new CARS system, with updated search capabilities, will provide the public with a way to view current spending practices among candidates and committees. The updated expenditure codes are being presented to the Commission now so they can be incorporated into CARS while it is being built.

A highlighted version of Form 460 is included to show proposed changes to the existing form.

Comments and suggestions are encouraged and should be submitted in writing to [chackert@fppc.ca.gov](mailto:chackert@fppc.ca.gov) before January 31, 2025. An Interested Persons meeting will not be held.
