## EXTERNAL EMAIL

To Whom It May Concern,

I am writing on behalf of the City of Rohnert Park to express my concern regarding the FPPC's new ruling requiring all 87200 filers to use your e-filing system starting Jan. 1, 2025.

This decision will cause confusion and create challenges for filers who currently use Netfile, Granicus E-Disclosure, or other e-filing systems previously certified by the FPPC as acceptable.

Additionally, the City of Rohnert Park paid the FPPC a certification fee of \$1,000 before entering a multiyear contract with Granicus E-Disclosure for the electronic filing of Form 700. To remove certification of other systems without holding a public commission meeting seems unfair.

I kindly request that you consider making exceptions for the current systems. We should be allowed to use any of the systems that have already been approved by the FPPC.

Sincerely,

**Sylvia Lopez Cuevas, MMC, CPMC | City Clerk & Elections Official**
