Good morning,

We recently learned that starting January 1, 2025, submitting a paper Form 700 to the City Clerk's office for 87200 will no longer be possible. The only option for 87200 filers will be to file directly with the FPPC using the eDisclosure System. While this change will only affect some of our filers, as they already use the electronic system, we would like to maintain the option for them. Although the majority of our 87200 filers already use the electronic system, there are instances when they file a paper form, which we then forward to the FPPC. We would like to continue offering both options.

Thank you for considering our comments. If you have any questions, please contact me at (818) 790-8880 or tgarcia@lcf.ca.gov.

Best regards,

Tania Garcia, MMC
